Annual Department Report
May 1, 2021

Commander-in-Chief Pierson, Officers, Brothers, and Special Guests of the Sons of Union Veterans of the Civil War Department of Michigan.

It is my pleasure to report that in these difficult times, we are still have a viable Department. We have many camps who did not change officers, but others did, and we performed virtual installations. I participated in most of them whether as the installing officer, or as an observer.

We currently have 22 camps including a Camp-at-Large with 452 brothers. Our challenge is gaining new members and forming new camps. I implore each and every one of you to seek out new members which will help fill our camps and perhaps form new camps. We had 7 Brothers that we lost over the past year and we can't forget Past National President Lucille Streeter who not only assisted the Woman's Relief Corps but helped our order as well.

I want to thank those Officers and Members who assisted me in making this a memorable year. I want to give special thanks to; Don Shaw PC-in-C, my Chief of Staff, Nate Smith, Department Senior Vice Commander, Gary Swain Department Junior Vice Commander who stepped up to replace David Ramsey, Robert Payne PDC and David F. Wallace PDC Department Signals officers just to start naming a few. David Smith PDC, Paul Davis PDC tirelessly give me support when I needed it. L. Dean Lamphere is invaluable to the Department Commander and is always helpful for anything I needed done. Brother Gosling was always able to balance the books and answer my questions. My Department Chaplin, Steve Williams was an awesome assistant in this trying times. The Department Members of Council, Charles Worley PDC, David Smith PDC, and Steve Martin CC make running the Department a breeze. Rick Danes and Jimmy Pahl pull a lot of double duty and are awesome at their jobs. Ed Dowd our Color Bearer helps to keep our flags in the view of the public, with Lloyd Lamphere and Gene Taylor assisting with keeping the camp in order. David Kimble, Keith Harrison PC-in-C, Gary Gibson PDC, Nathan Tingley, and John McGill help to round out the group. I want to give special thanks to our Department Secretary Dick Denny. This man is AWESOME, and the Department could not run without his attention to detail and willingness to help at every turn.

Brothers, I close this report by thanking all of you who have taken the time to become a SUVCW member and help support our order. God Bless you all.

Yours in Fraternity, Charity & Loyalty

SENIOR VICE DEPARTMENT COMMANDER'S REPORT

Department Commander Terrance McKinch, fellow brothers, and honored guests,

It has been my pleasure to serve the 2020-2021 term as the Senior Vice Department Commander, and I would like to thank all of the brothers for the opportunity to do so.

During the 2020-2021 term, I chaired the By-laws Committee and worked with the brothers of the Committee to prepare the ByLaws Committee Report for presentation at the 2021 Annual Department Encampment. As this was a unique year with the Covid-19 Pandemic, I could not travel to various Camps to participate in their activities as I would have liked.

I thank you all for allowing me to serve, and I look forward to working with you all in the upcoming 2021-2022 term.

Department Junior Vice Commander
Department of Michigan
Annual Report

Department of Michigan Officers and Brothers of the Order:

Please allow me to express my gratitude for the confidence that you have placed in me by appointing me to the position of Junior Vice Commander-Department of Michigan. I am most appreciative of the opportunity to complete the term of the elected DJVC and assist the Department in striving to achieve our membership recruitment and retention objectives.

During the year I have been able to assist several new Brothers in gaining membership to the Sons of Union Veterans of the Civil War. It has also been my pleasure to work with Junior Vice CinC Bruce D. Frail in revising and updating the Application for Membership Form 3. I poled the Camp Junior Vice Commanders throughout the Department for their input and submitted our combined suggestions to improve this process.

It has also been my honor to participate in three Eagle Scout Courts of Honor and to present the SUVCW Eagle Scout Certificate to each of the candidates. Further, we developed a veteran gravestone preservation project for each of the Scouts and assisted in these patriotic projects. This has also proven to be an excellent vehicle to introduce the SUVCW to this younger generation.

Further, we have identified several potential opportunities going forward to help keep the memory green of the Boys in Blue, increase awareness of the Sons of Union Veterans of the Civil War, retain membership and recruit new members. These include:

- Sponsor a Civil War Film Festival at the Camp or regional level. The public would be invited and this would be utilized as a recruitment event.
- A Department sponsored multi-day Civil War battlefield bus trip. All Sons, families, friends and the general public including all Civil War roundtables would be invited. This event could achieve all of the stated objectives plus add some income to the Department for additional events.
- Create a Department Civil War Roundtable liaison officer to assist the various Roundtables in finding and recommending speakers, recruiting membership from and for the SUVCW, co-sponsoring regional events and educating the public. A similar approach could be pursued with genealogy clubs and veteran organizations, for our mutual benefit, throughout the Department of Michigan.

There are additional areas of potential to achieve our collective objectives that are also worth exploring. I look forward to further exploration of the preceding proposals.

2021 Department Council Annual Report
For the 137th Encampment of the Department of Michigan, SUVCW
May 1, 2021

Commander, Brothers, and Distinguished Guests of the Order; The brothers of the Department Council are pleased to offer our report to today's Encampment.

For the administrative year of 2020-2021, your Department Council deliberated and sought a replacement for the office of Junior Vice Commander. With the unfortunate news of Brother David Ramsey's health, he asked to step back during this time. The Council members recommended and voted to fill the Junior Vice Commander office with Brother Gary Swain of Gen Benjamin Pritchard Camp 20.

Department Treasurer Bruce Gosling informed the members of the Council that several Fixed Income investments were maturing. As The Department Council is charged with monitoring and changing the investment instruments of the Department Permanent Fund, we asked for recommendations for investing these funds. The decision was made to divide the principal equally between two ETF's. The Funds selected were Franklin U.S. Government Securities Fund, FKFSX, and Franklin Adjustable U.S. Government Securities Fund, FISAX.

The Department Council members approved the proposal from the Communications and Technology Committee for a much needed upgrade of the Department Graves Registration Database. The proposed quote will cost between \$1000.00 and \$1100.00. The upgrade will provide access for guests and another access for data entry among other enhancements for search and proofing.

The members of the Department Council have virtually attended various Officer meetings discussing upcoming plans for the 2022 National Encampment, the 137th Department Encampment and progress of the Special Committee for the Kalamazoo Lincoln Institute statue project.

The Department Treasurer's End of Year 2020 balance sheets and budget summary for 2020 have been reviewed and appear to be in good order. The preparation of the 2021 in-person Department Encampment has been the priority of the Department Officers. We support and are involved in the success of this return of tradition.

The Department Council is not forwarding any resolutions or recommendations at this Encampment.

Respectfully submitted,
Department Council members

Report to the 137th Annual Department of Michigan Encampment
01 May 2021**

To Commander in Chief Pierson, Department Commander McKinch and the 137th Annual Department of Michigan Encampment, Sons of Union Veterans of the Civil War.

I thank the 137th Encampment for the trust in allowing me to serve as their Department Secretary for the 2020-2021 term.

I wish to thank Commander McKinch, the Department and Camp officers for their aid in conducting the operation of my office.

This term all reports, forms and necessary documentation have been submitted to the National Headquarters well before their required deadline.

However, the deadline for publishing the proceedings of the 136th Annual Department of Michigan Encampment was missed. I apologize to the Department for this failure. I have taken steps to be sure that this does happen again.

I encourage anyone who has questions about the preparation and processing of forms or the processes involved with their duties as Camp Secretary, please do not hesitate to contact me.

Also, a reminder, Executive Director David Demmy requests that the reporting of a deceased Brother be done as soon as possible. Please send me a Form 30 with the information and also contact the Department Chaplain with said information. This is necessary for the cancellation of the deceased's Banner, so it does arrive and cause the family an additional reminder of their loss.

Thank you and best regards,

Respectfully submitted in Fraternity, Charity, and Loyalty,

Report of the Department Treasurer

Commander McKinch, Officers and Brothers of the Department of Michigan

The Department of Michigan has concluded the financial business of the 2020 Membership Year and our finances continue to be positive. We posted revenues and expenditures from normal operations during 2020 of \$3,509.50 and \$3,126.64 respectively to the General Fund. This resulted in an excess of revenues of \$382.86 for the year. As expected, the Pandemic has had a negative effect on our operational revenues, but we are still in sound financial position.

Total Net Assets available amounted to \$25,954.54 as of December 31, 2020. Of that total, \$65.42 is restricted for Gettysburg flag replacement. A total of \$14,756.54 represents unassigned cash that may be disposed of by this Encampment, \$10,000.00 is a receivable from the 2022 National Encampment Fund, 500.00 is a site deposit for the 2021 Departmental Encampment and \$708.00 is inventory available for sale.

The Department of Michigan Permanent Fund reflects a total of \$54,458.72, which consists of a permanently restricted balance of \$53,217.25 and a temporarily restricted income accumulation of \$1,241.47.

As directed at the 2020 Department Encampment a separate fund was created with a loan from the General Fund in the amount of \$10,000 for the purpose of providing initial funding for the 2022 National Encampment to be held in Grand Rapids. To date the Fund has paid a deposit to the host venue in the amount of \$500.00 and has incurred bank fees and check printing charges in the amount of \$69.16 leaving \$9,430.81 in cash available.

I wish to report:

1. All permanent fund assets have been invested in government-backed securities, mutual funds invested in government backed securities or insured certificates of deposit through an Edward Jones account. Stated interest rates on investments are between 2.0% and 3.65% with a net yield of 2.33% on our investment for the year after amortization of bond premiums.

2. That the actual expenses incurred for the year were \$303.14 under the budgeted amount for the year. This is largely due to officers not submitting requests for expense reimbursements under the Department Guidelines and the pledge of \$500.00 to the 102 USCT Monument not being disbursed. An amount of \$1,215.37 was spent over the budgeted amount of \$200.00 for website costs, primarily related to Graves Registration by then DC Payne's and Council approval.

I offer these recommendations for consideration by the Encampment for the coming year:

1. That the proposed 2021 operating budget for the General Fund, attached to this report, be accepted as presented.
2. That, in light of the approval for the Department of Michigan to host the 2022 National Encampment, no General Funds should be transferred to the Permanent Fund in the current year.

I appreciate the trust placed in me by the Brothers of this Department in electing me to the position of Treasurer for this past term of office. I am beginning my third year of a three year term as Department Treasurer so have not submitted a letter of intent. It has been an honor to serve the Department, and continue to be proud to be able to offer my professional skills in this position.

Annual Report**

Chief of Staff, Donald W. Shaw, PCinC

Brothers,

During the preceding year, I have:

Assisted with set up and initial staff communications for the Department.

Answered questions from various appointed officers when asked.

Answered questions for and consulted with the Department Commander when asked.

Served as the contact point by which the Commander or his representative could arrange to swear in officers for the various camps. Occasionally I was called on to address problems with regard to such meetings.

Sent out the call for reports from officers so they would be ready for presentation to the Department Encampment.

Please note: During my tenure in this office I have had no department property in my possession.

RECOMMENDATIONS:

None

Color Bearer

May 01, 2021

Commander in Chief Pierson, Department Commander McKinch, Staff and brothers here assembled and to those by Zoom.

I bring this report as Color Bearer for the Department of Michigan for the year 2020-2021.

To say this year has been filled with challenges would be an understatement.

There have been several occasions to post the "Colors" only to have those events canceled due to various state regulations. Most notably was the Lincoln Tomb Observance in April 2020 and the Remembrance Day ceremonies in Gettysburg. And not to be forgotten, our Department Encampment was done virtually.

I can assure you; the "Colors" were always available and ready.

It is my hope that this year will be a year where we once again present our "Colors" when and wherever they are needed.

Thank you again for this high honor of being the Department Color Bearer.

In Fraternity, Charity, and Loyalty,

Edgar Dowd, PCC

Signals Officer Report
Department of Michigan
2020-2021

Brothers,

While this past year has been challenging to all brothers, I have been able to accomplish a few things for the Department in an effort to move our Department forward.

1. I have been able to continue updating the Department website, including:
 1. Changing Camp Webpage information as requested.
 2. Placing General and Department Orders on the website.
 3. Launching and Updating the 2022 National Encampment website
 4. Maintaining the Department Encampment Webpage.
 5. Updated the HTML and PHP coding n the site to automatically update copyright dates and last updated information on the bottom of each page.
2. With the assistance of Brother David Wallace, PDC, we have been able to host ZOOM meetings to assist the Department Commander in planning the Department Encampment and some Camps with Virtual installations.
3. In conjunction with the Technology Committee and the Graves Registration Officer, we have moved forward with the development of an updated Graves Registration page and database. This should be functional by early summer, it is currently with our contractor for programming which will be followed by a testing period before final implementation.
4. We have secured new domain names for our Graves Registration Database and renewed our current domain names for the Department.

I have one recommendation:

All camps which have their camp webpage maintained by the Department must submit new camp officers and contact information to the Webmaster after installations, every year. This is the only way to insure these pages are properly maintained.

In conjunction with the Technology Committee:

- Dennis Fyke
- Keith Harrison, PC-in-C
- David Wallace, PDC

I submit my report for the Signals Officer and the Technology Committee

Office of the Editor –*Michigan's Messenger*

May 1, 2021

To Department Commander Terrance L. McKinch, PCC and
Attendees of the 137th Department of Michigan Encampment

Greetings,

This being my 16th year as editor of our exceptional Department newsletter, I submit:

This will serve as a report for the recent activities of the Editor of Michigan's Messenger.

Currently, Michigan's Messenger is sent electronically to all Camps within the Department on a quarterly basis. In addition, Michigan's Messenger is sent to all Department Officers, as defined in the Department website, and to the Commander-in-Chief

Each of the quarterly editions were completed and released on time, and at the 2011 National Encampment, the Messenger was awarded its third Marshall Hope Award for the best Department Newsletter in the nation.

This is the fourth year that a Department e-mail address was established exclusively for the editor, so that when a new Michigan's Messenger is sent, each Camp contact will receive a copy and can then e-mail copies of the newsletter to their Camp, or arrange for paper copies to be made available to those who do not have e-mail. In this manner, all Brothers can have the opportunity of participating in Department Events.

As Officers and Camps continue to submit articles that they want to share with the Department, Michigan's Messenger will continue to be the nationally recognized publication that it is today, and will be provided to the Membership at no cost.

Under the Department Commander's leadership, Michigan's Messenger continues to flourish, and remains a publication second to none in the National Organization.

I remain your faithful servant in Fraternity, Charity, and Loyalty,

**OFFICE OF THE GRAVES REGISTRATION
OFFICER**

May 1, 2021

To Department Commander Terrance L. McKinch, PCC and
Attendees of the 137th Department of Michigan Encampment

Greetings,

This being my 21th year as Graves Registration Officer for the Department, I submit:

This will serve as a report for the recent activities of the Department Graves Registration Committee.

The achievements of the Committee, although significant, did not meet the stated goals of previous period's Committee Reports - we were not able to motivate all Camps to collect and share graves related records, and although we encouraged all camps to appoint an active Camp Graves Registration Officer (CGRO), some camps still failed to do so.

The Committee attempted to meet every quarter, (the March and December meetings were cancelled because of the pandemic closures), and we achieved an average attendance of over 50% of the total camps in the Department at two phone-in meetings. These meetings create meaningful dialog that is useful to Camp Graves Registration Officers (CGRO) and allowed them a forum to express ideas, concerns, and interfacing about the resources available to them.

Every quarter updated information is put on-line by our Department Signals Committee. That database has reached 76,757 records (an increase of over 1,400 in the past year) of heroes buried both in Michigan and in outstate locations. In addition, we have updated over 8,000 records for changes.

Because of the efforts of Department Signals Officer David Wallace and his Committee, the Graves Database is scheduled to be reformatted. This effort will allow the public and CGROs to access the data on-line, rather than by the use of a cd. The database will be controlled by the DGRO.

In addition, the Committee continues its work on the "Last Soldier" project, created by Committee member Jim Petrimoulx from Camp 67. This list will be a part of the Graves Registration section of the Department Website, with Camps reporting changes to the Department Officer.

Under the Department Commander's leadership, the Department of Michigan Graves Registration Program continues to flourish, and remains a program second to none in the National Organization.

I remain your faithful servant in Fraternity, Charity, and Loyalty,

Report of the G.A.R. Records Officer / Committee
May 1, 2021

Commander McKinch, Officers and Brothers,

Even with the challenges we have faced this past year, the work of this office has continued.

As always, requests for information on individual veterans and posts are received with some regularity, which shows that there is interest in the veterans of the Civil War, and concern for the preservation of documents and records pertaining to same. That is a rewarding aspect of this position.

In October I was contacted by the step-great grandson of a past commander of the H. C. Gilbert Post No. 47, which was located in Dowagiac, Van Buren County. In sorting through some old papers, he found an original typed and handwritten list of the veterans of Dowagiac. The list was prepared about 1900. It contains the names, service record, date of death and place of burial for 91 veterans, including one from the Revolutionary War, and one from the War of 1812. The list is the only document that has been located pertaining to Gilbert Post, and will be placed in the archives of this office.

Just in the last few weeks, I was contacted by a lady in the state of Delaware, whose great-great grandfather was a member of the Zach Chandler Post No. 35 of South Haven, after having transferred from the Dickinson Post No. 345 in Ann Arbor.

This descendant had found the transfer card of her ancestor, tucked inside of their old family Bible. She wanted the Records Committee to have a copy, and shared that the veteran had served as a lighthouse keeper for many years in Van Buren County. Subsequent research on Findagrave.com turned up a sketch of the veteran in his lighthouse keeper's uniform.

On a side note, whenever I receive requests for information on a veteran, or research interest on a particular Grand Army Post, I always make an inquiry if there is a familial relationship. If it is in the affirmative, I always included in my responses encouragement to seek membership in the Sons of Union Veterans, or one of the female Allied Orders, whichever the case may be.

Commander McKinch, Officers and Men of the Department of Michigan,

It has been an honor this past year to serve as the Department Eagle Scout Certificate Coordinator for the State of Michigan. A total of 5 certificate applications have been reported and processed from this office from many SUVCW Camps in the Department. That includes one of the first female Scouts from the State of Michigan to earn the Rank of Eagle. Currently this office holds in care for the Department of Michigan 5 Eagle Scout Certificates.

Military Affairs Officer

May 01, 2021

Commander in Chief Pierson, Department Commander McKinch, Staff and Brothers here assembled and to those by ZOOM.

I bring this report for Military Affairs. This year has been very difficult to say the least. We have had numerous shutdowns due to our own state regulations. To aid other groups and organizations who were faced with the same regulations made it very difficult indeed.

Going forward, it is my hope we can, this year, get back on track to support not only our brothers, but those other service organizations such as, but not limited to the VFW, American Legion, Vietnam Veterans. I'm sure if we look to our various communities, we can find areas to serve.

I am always open to any and all ideas for service where we can aid the men and women who served, are serving, and considering military service to our great country.

APPENDIX C – COMMITTEE REPORTS

Summary Report of the SUVCW-Dept. of Michigan Kalamazoo Lincoln Project Special Committee

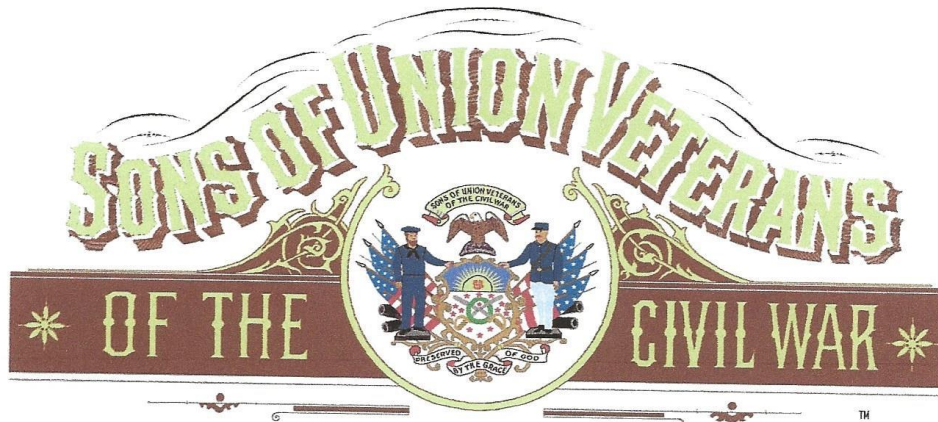

On August 23, 2020, Department of Michigan Commander Terry McKinch issued General Order #4 (copy attached) following an August 15, 2020 Zoom meeting to discuss the efforts of the Kalamazoo Abraham Lincoln Institute's plans to place a privately funded bronze statue of Abraham Lincoln in Kalamazoo's Bronson Park where he spoke on August 27, 1856, the only place in Michigan where Mr. Lincoln made a public appearance. Department Order #4 established a special committee to help advance the Kalamazoo Lincoln statue project giving specific instruction to all Michigan Camps to support this "Lincoln memorial endeavor."

Brother Charles Worley PDC of the March to the Sea Camp #135, Centreville was assigned as committee chair. Brother Gary Swain, Dept. of MI Junior Vice Commander (PCC) of General Benjamin Prichard, Camp #20, Kalamazoo, and Brother Cameron Brown also of March to the Sea Camp #135 were also assigned to the committee. As of this date, the committee has met twice (minutes attached) and prepared an action plan to help fulfill Commander McKinch's instructions. At its first organizational teleconference meeting held on August 28, 2020, the committee agreed to write grant applications soliciting funds from the SUVCW Monuments and Grant Committee and the SUVCW Charitable Foundation. Both submissions have been completed with receipt of a \$1,000 check from the SUVCW Charitable Foundation received on January 25, 2020 and dated January 17, 2021.

At its November 17, 2020 meeting, the committee decided to submit informative articles for the winter edition of the *Michigan Messenger* and also for the upcoming issue of the *Banner*, explaining the project and the involvement of the SUVCW-Dept. of Michigan. Both submissions have been made, the articles being written in the manner of a news release (see copy attached). It was requested by Chairman Worley that a summary report be written for the Department Secretary and for the Delegates of the 2021 Department Encampment. While the work of the committee is ongoing, this initial summary report is the fulfillment of Chairman Worley's November committee directive. The committee also added Brother Bruce Gosling of the March to the Sea Camp, #135, Centreville to its ranks. The committee met at Brother Gosling's office in Sturgis. Brother Swain attended by teleconference.

Brother Worley further directed the committee to draft a resolution for the 2021 Department Encampment to accompany this report. The chairman requested that wording should include specific treasury accounts from which to ask for grant funding. The proposed draft resolution is attached to this report. Future committee meetings will involve 1) requesting the opportunity to present to the Department 2021 Encampment a brief presentation on the Kalamazoo project; 2) encouraging a decision by the National Encampment to allow solicitation of other Departments and related Camps under the National 501c3 status; 3) soliciting Dept. of Michigan Camps and Allied Orders such as MOLLOS and the Ladies Auxiliary; 4) exploring various Brothers affiliations for potential corporate sponsorships; and 5) consider ways of recognizing Camps and Departments that contribute such as awarding a campaign ribbon for camp flags, etc.

Section 3. - Abraham Lincoln Certificate of Appreciation Award

Current Language:

Authorization for a Department certificate of appreciation award is provided. The award shall be known as the Abraham Lincoln Certificate of Appreciation Award. The award shall be conferred by the Department Commander upon any individual or entity who, in the judgment of a three-member panel appointed by the Department Commander, has through his/her actions, words, and/or deeds significantly contributed to the furtherance of the memory of the Grand Army of the Republic within the State of Michigan. Recommendations for possible recipients of said award shall be submitted, along with a one-page description of the contribution made, to the Committee Chair who see mail address shall be included with the notice that nominations are open, no later than two (2) months prior to the Annual Michigan Department Encampment. Recipients of the award shall be publicly announced, and a certificate presented at the Annual Michigan Department Encampment. No more than three (3) recipients shall be selected for the award in any one year.

Discussion by the Submitting Party:

The award shall be conferred by the Department Commander upon any individual or entity who, in the judgment of a three-member panel appointed by the Department Commander, has through his/her actions, words, and/or deeds significantly contributed to the furtherance of the memory of the Grand Army of the Republic within the State of Michigan.

It is my experience/understanding that **few Lincoln Awards have historically and actually been conferred in furtherance of the memory of the Grand Army of The Republic** within the state of Michigan. The language, as stated above, states the award is **ONLY** for the furtherance of the memory of the Grand Army of the Republic and nothing else.

As written, this excludes the good and patriotic work done by many who would qualify for the Lincoln Award considering their efforts to support the SUVCW and Keep Green The Memory of Soldiers, Sailors, Marines who served in the Army, Navy, Marine Corps, or Revenue Cutter Service of the United States of America during the War of the Rebellion of 1861-1865 Civil War remembrance ceremonies, gravesite restoration, erection of monuments, scholarships, education, publication and efforts by the media.

A question to consider is an effort to be recognized to limit the activity to **ONLY** within the State of Michigan? For example, if a person/entity from Michigan engages in a project to erect a Michigan monument, Michigan marker, or clean headstones of Michigan soldiers in a state other than Michigan, are they to be disqualified?

Recommended Change:

Authorization for a Department certificate of appreciation award is provided. The award shall be known as the Abraham Lincoln Certificate of Appreciation Award. **The Department Commander shall confer the award upon any individual or entity who, in the judgment of a three-member panel appointed by the Department Commander, has through his/her/their actions, words, and/or deeds significantly contributed to and supported the furtherance of the memory of the Grand Army of the Republic; the Sons of Union Veterans of the Civil War, and has demonstrated significantly in keeping Green The Memory of Michigan Soldiers, Sailors, Marines who served in the Army, Navy, Marine Corps or Revenue Cutter Service of the United States of America during the War of the Rebellion of 1861-- 1865, including but not limited to remembrance ceremonies, gravesite restoration, erection of monuments, scholarship and educational efforts concerning the understanding and causes of the Civil War, publications, and efforts by the media within the State of Michigan.** Recommendations for possible recipients of said award shall be submitted, along with a one-page description of the contribution made, to the Committee Chair whose email address shall be included with the notice that nominations are open, no later than two (2) months prior to the Annual Michigan Department Encampment. Recipients of the award shall be publicly announced, and a certificate presented at the Annual Michigan Department Encampment. No more than three (3) recipients shall be selected for the award in any one year.

BY-LAWS COMMITTEE POSITION:

The By-Laws Committee concurs with the proposed changes.

A certificate shall be awarded with the winning Camp's name and the newsletter editor listed.

APPENDIX D – RESOLUTIONS

Draft Resolution for SUVCW-Dept. of Michigan 2021 Encampment

A Resolution to financially support the Kalamazoo Abraham Lincoln Institute's plan to place a privately funded statue of Abraham Lincoln in Kalamazoo's Bronson Park where Mr. Lincoln spoke in 1856.

WHEREAS, the City of Kalamazoo has given its approval to the Kalamazoo Abraham Lincoln Institute, a Michigan 501(c)3 non-profit corporation, to place a privately funded bronze statue of Abraham Lincoln in Kalamazoo's Bronson Park where he spoke in 1856, the only public appearance he made in Michigan; and

WHEREAS, an Abraham Lincoln statue in Edinburgh, Scotland was featured on the cover of the 2020 spring issue of the *Banner*, prompting several Kalamazoo Brothers to bring to the attention of Department of Michigan Commander Terry McKinch their efforts to promote the Kalamazoo Lincoln statue project, and

WHEREAS, Department of Michigan Commander Terry McKinch responded by issuing Department Order #4 in August 2020 that established a special committee to help advance the statue project with specific instruction to all Michigan Camps to support this "Lincoln memorial endeavor," and

WHEREAS, Brother Gary L. Gibson, PDC has publicly endorsed this effort and Gen. Benjamin Prichard, Camp #20, Kalamazoo, and March to the Sea Camp, #135, Centreville, have already adopted this "endeavor" as a special project with supporting financial contributions, and

WHEREAS, the Kalamazoo statue project is aligned with Commander-in-Chief Brian C. Pierson's National Order Number 7 of December 9, 2020 encouraging members to follow the SUVCW's National Policy on Monument Protection and Preservation. Of particular note, the policy states that "Monuments serve the necessary purpose of inspiring and educating future generations of Americans on the sacrifices made by their forefathers. Further, monuments are visible signs of the patriotism and selflessness shown by American soldiers and sailors, who placed the country before their own lives and fortunes, to ensure the preservation of the Nation. By this policy, we state our intent and reaffirm our commitment to our honored dead and dedicate ourselves to do all in our power as an organization, to ensure that the memorials to them will be preserved for the inspiration and education of future generations," and

WHEREAS, Abraham Lincoln's legacy embodies the full spirit and intent of Commander-in-Chief Pierson's policy as President Lincoln, while serving as commander-in-chief of the United States during the crisis of the American Civil War, placed country first and ultimately was martyred in the course of doing his sworn duty to preserve and protect the Constitution and thereby save the Union, and

WHEREAS, the Kalamazoo Lincoln statue project has already inspired countless young people in Kalamazoo County public schools through a well-coordinated fundraising penny drive launched in 2019 to help raise funds for the Kalamazoo Lincoln statue with hundreds of elementary and high school students, their parents and teachers precipitating, thereby gaining a greater appreciation for the history of the American Civil War, and

WHEREAS, the exposure to the lessons of the past can only help make our youth better citizens today, the Kalamazoo statue project has tremendous potential for teaching and motivating young minds using a simple gift of history—Lincoln's 1856 visit to Kalamazoo;

NOW, THEREFORE, BE IT RESOLVED that the SUVCW-Department of Michigan 2021 Encampment, sensing the real value of the Kalamazoo Lincoln statue project to complement and advance the goals and objectives of the SUVCW-Dept. of Michigan, commits to a financial contribution to the Kalamazoo Lincoln statue project in the amount of \$5,000 to be made payable to the Kalamazoo Abraham Lincoln Institute.

AND BE IT FURTHER RESOLVED, that the Encampment source this contribution from the SUVCW-Department of Michigan's General Fund or Permanent Fund or combination thereof as deemed appropriate.

Brothers,

I wish to bring about a change in the C&R and I am seeking the endorsement of the Department of Michigan. If approved I ask that the Department Secretary distribute this proposal as prescribed in the C&R as outlined in Chapter VI, Article 1, Section (pg139).

APPENDIX E – MOTIONS

DEPARTMENT OF MICHIGAN SONS OF UNION VETERANS OF THE CIVIL WAR

MOTION

Whereas the Department of Michigan and the Camps within the Department do not have general liability insurance to guard against the eventuality of an injury at one of our events, and

Whereas such an injury is not a matter of if, but only of when, and

Whereas the potential liability a legal action against a Camp and/or the Department will amount to more than the assets of the Department, and

Whereas the retaining of an attorney and should the Department prevail in any legal action will still cause the Department to incur enormous expense – possibly beyond the capability of the Department to pay for, therefore

I MOVE the 137th Department Encampment directs the 2021-2022 Department Commander to appoint a special committee to explore what policies of liability insurance are available, including coverage for the use of and firing of firearms, and

I FURTHER MOVE This Committee shall obtain quotes for such insurance from various insurance agencies for general liability insurance coverage, including the Camps of our Department and their activities, including the firing of firearms, and

I FURTHER MOVE this Committee report back to the 138th Department Encampment with recommendations as to which policy to obtain and the cost of that policy, and

I FURTHER MOVE the Department of Michigan immediately after the 138th Department Encampment; obtain a policy of general liability insurance, which includes coverage for the Camps of our Department and their activities, including the firing of firearms, and

I FURTHER MOVE the Department of Michigan at the 138th Department Encampment increase the Department Per Capita dues by sufficient amount to pay for such liability insurance.

MOTION

Whereas Dr. Benjamin F. Stephenson founded the Grand Army of the Republic on April 6, 1866 in Decatur, Illinois, and

Whereas the grave of Dr. Benjamin F. Stephenson is located in the Rose Hill Cemetery in Petersburg, Illinois, and

Whereas the Department of Illinois is raising funds to improve the Dr. Benjamin F. Stephenson Memorial Plaza in the Rose Hill Cemetery in Petersburg, IL, and

Whereas the National Organization, Sons of Union Veterans of the Civil War has obtained and caused to be placed a Polished Black Granite Bench at the Stephenson Plaza,

Whereas several other Departments have obtained Memorial Bricks for placement in the Plaza, and

Whereas the Department of Michigan does not have a Memorial Brick at the plaza, therefore

I MOVE the 137th Department Encampment direct the purchase of a 16x16 Memorial Brick at the cost of \$500.00 for placement at the Dr. Benjamin F. Stephenson Memorial Plaza in the Rose Hill Cemetery in Petersburg, IL, and

I FURTHER MOVE the 2021-2022 Michigan Department Commander determine the appropriate language for the text of such brick.

APPENDIX F – CORRESPONDENCE

Peter J. Hritsko, PDC of Ohio
Letter of Intent

Brothers,

I would like to announce my candidacy for the election to the office for the Junior Vice Commander-in-Chief at the 140th National Encampment being held in St. Louis, Missouri on August 2021.

I feel I would be a great asset to the SUVCW Organization, as I have shown you what I have done in promoting the good of the order. One example is Council of Administration and the GAR Highway sign project. I believe that my experience would be beneficial to fulfill this important office.

Attached is my resume experience of what I have done for the good of the order. Devoted and church going family man and active in the community. I ask that you give me the opportunity to serve as your National SUVCW JVC-in-Chief. This opportunity would allow me to continue my involvement and growth in an Order that means so much to me.

My greatest compassion is to remember and persevere our history of our ancestors who have fought and died during the Civil War like my Great-Great Grandfather 1st Lt. Elijah Hayden Commander of Co. H 8th OVI. He may have lost his life in the Civil war but his interest to serve his country and perseverance is something I share. If you would allow me to assume this new responsibility, I will work my best for the interest of the Order as I always have.

I would appreciate your support.
Thank you for your consideration.
